

SOLAR ENERGY BLOCK RATE RIDER SE-1 (Rider) (Rate Code 39)

APPLICABILITY:

Applicable to individually metered single residences and individual family apartments who wish to take part in the Coastal Electric Renewables Cooperative Solar Program. Under Rate Rider SE-1 Members will be able to purchase blocks of electricity from solar generation sources. Participation in Rate Rider SE-1 is limited in the Cooperative's sole discretion to the amount of solar generation available and subscriptions will be made on a first come first served basis. In order to maximize subscriptions under Rate Rider SE-1 the Cooperative may limit the amount of solar block energy purchased by individual Members. Rate Rider SE-1 is further restricted to Members being served under Residential Service RS-8

AVAILABILITY:

Throughout the Cooperative's service area, from existing lines of adequate capacity in accordance with the Cooperative's Service Rules and Regulations.

MONTHLY RATE:

Members can contract for a portion of their monthly electricity usage in solar blocks of 1.25 kW each for a fixed rate of \$25.00 per month.

The amount of energy produced by a solar block(s) will appear on the monthly electric bill as a credit against the Member's monthly kilowatt hour usage just as if the Member had their own rooftop solar panels.

GENERAL TERMS & CONDITIONS:

Available on a month to month basis without contract. Service hereunder is subject to the Cooperatives Service Rules and Regulations
